

## GroupBill Patient Portal and Zend Server/Studio Client

1. Review GroupBill Patient Portal Web pages and basic design.
2. Review Patient Portal support files.
3. Production versus development libraries.
4. What to do about secure connection.
5. MIDEV-Zend Server Installed. Probably 1-2 weeks left on temporary license.
6. Zend Studio Client installed on my PC. Probably 1-2 weeks left on temporary license.
